TicketSmarter Sun Bowl Basketball Skills Camp

The El Paso Parks and Recreation Department selects 200 children to attend the TicketSmarter Basketball Skills Camp.

This year's camp marks the 25th year the WestStar Don Haskins Sun Bowl Invitational coaches have taken time out to teach both basketball and life fundamentals to El Paso's children in a fun and exciting way.

Head coaches for the tournament teams meet the children at UTEP's Memorial Gymnasium where they are coached on the finer points of basketball while reinforcing the importance of education and teamwork.

Each child receives a T-shirt, sports bottle and basketball compliments of TicketSmarter, El Paso Parks & Recreation and the Sun Bowl Association.

Cybercrime Attacks are a **WHEN** Proposition, Not an **IF** Proposition, for **ALL** Organizations!

- **70%:** of all organizations expect their operations to be eventually harmed by ongoing **Email Phishing** attacks
- **300%:** increase of employees clicking through on **malicious emails**, since pandemic start
- **60%:** of all organizations have suffered a **ransomware attack**
- **52%:** paid ransom: **66%** recovered their data, **34%** failed to recover their data
- **79%:** of all organizations have been **damaged** by their **lack of cyber preparedness**

The Best Defenses and Offenses Against Cyberattacks use **Multi-layered Strategies** for both **Human Frailties** and **Network Breaches**

1. **Social Engineering Training:** Including ongoing **testing**, with updates, to detect and prevent **Email Phishing** attacks
2. **Password Manager:** assists and eases changing complex passwords
3. **Multi-Factor Authentication (MFA):** **two-step** login authentication, using **password** and **changing code**
4. **Offsite Data Backup and Recovery:** we will secure, protect, and restore your data in our **El Paso Data Center**

Benjamin Franklin wisely said: *"An Ounce of Prevention is Worth a Pound of Cure."*

Time now to huddle-up and go on **Offense!**

Please give us a call: we will together diagram a winning **Game Plan**, which will mitigate the threat of a successful attack. If fouled out by a **Cyberattack**, having taken pro-active measures, downtime will be minimized, data restored, and operations back up and running, with your team pivoting down the court, putting more points on your scoreboard!
